

International Women's Day

MUFTI DAY

Go purple for a day and ask the world:
How Much Longer?

Monday 8th March

A Gold Coin Donation

Will go towards UN Women Australia's work to empower ALL Women and Girls.

How Much Longer?

At the current pace of change, gender equality is still 171 years away. Seven Generations away.

This is not a timeline we can accept.

This International Women's Day, we want to know, How much longer will women and girls live with violence, hunger and poverty? How much longer will women be paid less, carry an unequal share of unpaid care and be denied an equal voice in the decisions that shape their lives?
